We encourage you to become a very important part of your student/s musical goals and planning for the school year.

Are you aware of your student/s current level of music?
Are you interested in your students advancing to the next new level of music?
Do you have personal expectations of your student/s?
Would you consider specific programs and events for your student/s to participate in and encourage their musical growth and talent?
If you are interested in a one-on-one meeting with your child’s teacher, please mark your calendar for the week of July 22nd - 27th
We will have a sign-up schedule available all summer.
When fall lessons begin, August 5th, 2013, we will ask all students and parents to fill out a Student Profile with goals for the year, as well as their choice of events for the year.

Practice Contract

A practice contract is available for each student. Please pick one up at the studio if you have not read, signed and returned your contract. This is a tangible way we can nurture your student/s to use their marvelous ability to learn music. Please pick up a calendar to help track your minutes of practice during the week.

We see positive and improved results from your students who have made a commitment to practice when they play at Student Sharing.

Thank you,
Mrs. Whitby and Teachers
